About Us :

In our College the Cultural Committee is always trying to create awareness in the students for the purpose of preserving and promoting our culture, as well as to develop stage daring by instilling confidence in college students by unleashing their latent talent. Various competitions are organized by the cultural department on the occasion of Vivekananda Jayanti week. Cultural Department always encourages students to participate in competitions like Yuva Mahotsav. Cultural committee always providing necessary guidance, coaching, materials required for the competition like drapery, rangoli, painting colors etc. to students participating in different competitions. The college endeavors not to put any kind of financial burden on the students while participating in the competitions. Sincere efforts are always made by the cultural department of the college to ensure that number of students participate in the various competitions.
